9.01(B) of the Local Rules of the United States District Court for the Eastern District of Missouri. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b). The Debtors consent to a final order with respect to this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 105 of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (the “Bankruptcy Code”), rule 9006(c) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rule 9013-2(A) of the Local Rules of the United States District Court for the Eastern District of Missouri (the “Local Rules”).

Background

5. 23andMe Holding Co. (collectively with its Debtor subsidiaries and non-Debtor affiliates,⁴ the “Company”) is a leading human genetics and telehealth company with a mission to help people access, understand, and benefit from the human genome. The Company pioneered direct access to genetic information as the only company with multiple FDA clearances for genetic health reports. Further, through its Lemonaid Health telehealth platform, the Company operates as a national online doctor’s office that provides medical care, pharmacy fulfillment, and laboratory testing services.

6. On March 23, 2025 (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code.

7. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors have filed

⁴ Non-Debtor affiliates exclude any controlling shareholder of 23andMe Holding Co.

a motion requesting procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b) substantially contemporaneously herewith. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no committees have been appointed or designated at this time.

8. A detailed description of the Debtors and their business, including the facts and circumstances giving rise to the Debtors' chapter 11 cases, is set forth in the *Declaration of Matthew Kvarda in Support of Chapter 11 Petitions and First Day Motions* (the "First Day Declaration"), filed substantially contemporaneously herewith and incorporated herein by reference.⁵

Basis for Relief

9. Section 105(a) of the Bankruptcy Code authorizes this Court to "issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code]." Further, Bankruptcy Rule 9006(c) provides that the Court, for cause shown, may in its discretion reduce the notice period normally required for motions. Lastly, Local Rule 9013-2(A) allows a hearing to be scheduled on an expedited basis "by written motion, setting forth the reason the matter should be considered on an expedited or emergency basis."

10. On the Petition Date, the Debtors filed certain motions requesting first day relief (the "First Day Motions") to be heard by this Court on an expedited basis. As described in detail in each of the First Day Motions and the First Day Declaration, the relief requested in the First Day Motions is essential to maintaining the normal day-to-day operations of the Debtors' business. Such expedited relief is also necessary to preserve and maximize the value of the Debtors' estates,

⁵ Capitalized terms used but not defined herein shall have the meanings ascribed to them in the First Day Declaration.

including with respect to the Debtors' proposed sale process (the "Sale Process"). As described in greater detail in the Bidding Procedures Motion, the Debtors commenced these chapter 11 cases to, among other things, effectuate a value-maximizing sale of all or substantially all of their assets following an extensive prepetition marketing process that did not result in an actionable transaction capable of being implemented within the Debtors' current liquidity runway. In furtherance of the Sale Process, the Debtors filed the Bidding Procedures Motion substantially contemporaneously herewith requesting the Court approve certain bidding procedures to govern the Sale Process, including a proposed timeline with key dates and deadlines (the "Sale Timeline"). The Debtors believe that the Sale Timeline, if approved, will provide sufficient time to conduct an efficient, robust, and value-maximizing process. Given the Debtors' liquidity, and lack of a stalking horse bidder at this time, it is critical that the Debtors commence the Sale Process as soon as possible with the benefit of the bidding procedures to guide interested parties in the submission of bids. Absent the relief requested herein, the Debtors believe that their ability to complete the Sale Process and achieve a value-maximizing outcome for these chapter 11 cases will be significantly diminished to the detriment of all of their stakeholders. Accordingly, the Debtors believe that the First Day Motions involve matters that require an expedited hearing and that cause exists to schedule an expedited hearing (the "First Day Hearing") on each of the First Day Motions, including the Bidding Procedures Motion.

11. The First Day Motions for which Debtors request an expedited hearing are as follows:
